

# 2007-08 "After the Bell" and "After the Bell Plus" Teacher Feedback

A student in your classroom has participated in the "After the Bell Plus" (tutoring) program during the 2007-08 school year. We are interested in your feedback about this year's program and suggestions for the 2008-09 program. Please complete the questions below. The results of the evaluation will be used to determine if youth who participate in the after school tutoring program were impacted positively and identify any modifications for next year's program. The information will be shared with our funders and others who work with the program. Your participation in this evaluation is voluntary and confidential to the extent allowed. Your responses will be combined with the responses of all other participants and you or students will not be individually identified on any report prepared. If you have questions, please contact Debbie Moellendorf, UW-Extension 4-H Youth Development Agent at 536-0304. Completion of this evaluation implies your consent to participate. **Please complete the questions below for each student that participated in the tutoring program and return the completed form in an envelope to the "After the Bell" mailbox in the PRMS office by Friday, May 30, 2008**
