Take the challenge and join us for the annual Art Lab West, scheduled for January 16-17 at the beautiful Beaver Creek Reserve in Fall Creek Wisconsin. Choose one of the tracks below to go “in depth” and explore the art form that interests you the most! Participants will also work together in large groups for team building and sharing. Our Sunday brunch will even feature the creations of the Culinary Arts Track! Why not get a group of youth and adults together from your county for a weekend of ART!

Art Lab West

After its brand new introduction last year, the results are in! Art Lab East and Art Lab West are back! More than 150 4-H members and leaders took part last year and we’re hoping for more of the same this year! Both 4-H youth and adults are invited to participate in one..... or even **both** of the Labs

The mission of the Art Labs is to provide an in-depth and focused experience in the “art track” of choice. Tracks are being expanded from the traditional communication, music, theatre arts, video, and photography to include other topics such as Culinary Arts, Basketry, Comic Book Art, Tae Kwon Do and more! Each participant will choose one track for the entire weekend.

Auditions for the State 4-H Drama Company and the 4-H Showcase Singers will be conducted at 3:00 pm on Saturday, January 16th.
